

Lot 41 Temporary Closure

Temporary closure and permanent inventory reduction

What:

- On or about **June 26, 2017**, Montgomery County's Division of Parking Management will temporarily close **Lot 41** for approximately 45 days. 18 short-term spaces and 1 ADA-Van space will be impacted.
- Customers looking for nearby short-term parking will find availability in Garage 42 directly across Middleton Lane from Lot 41 (see map).
- Following the completion of site preparation and installation of the historic structure being relocated to Lot 41, about 9 of the original 18 parking spaces will be re-opened to the public. The 1 ADA-Van space will re-open as well.

Why:

- To accommodate redevelopment of the Apex site at 7272 Wisconsin Avenue the Community Hardware historic building is being permanently relocated to Lot 41. The Division of Parking Management will contract with a leasing management company to find a suitable tenant for the building.
